

GOVERNMENT IN REVIEW

WHITMORE AWARD APPLICATIONS ACCEPTED

The Lorain County Community Alliance & The Public Services Institute at LCCC are honored to announce the Second Annual Mike Whitmore Memorial Award for Vision in Government will be presented at the Lorain County Community Summit on October 21, 2005.

The award is designed to provide contemporaries in Lorain County public service an opportunity to honor one of their own for achievement, contribution, vision, and leadership.

Mike Whitmore nurtured relationships, built trust, and was instrumental in bringing stakeholders together to build the Lorain County Community Alliance. It is only appropriate the award bear his name and be given at Lorain County's largest gathering of community leaders - the Lorain County Community Summit.

In addition to recognition at the event, a donation will be made in the name of the recipient and Mike Whitmore to the Lorain County Community College Foundation.

Applications will be forwarded to Alliance members and are also available via e-mail. The entry deadline is October 10, 2005.
